## REPORT OF THE MANAGING COMMITTEE OF THE INDUSTRIAL HOME

To the Warden and Members of the County Council of the  
County of Norfolk:

Gentlemen:

We, your Managing Committee of the Industrial Home,  
beg leave to recommend as follows:

(1) That the application of W. W. Walsh & Son to con-  
duct the undertaking at the Industrial Home be accepted.

(2) In view of the fact that our County, last year, was  
permitted to act as Host to the Convention of Masters and  
Matrons of Industrial Homes, and that we have been re-  
quested to send delegates this year, this Committee feel this  
to be an inauspicious time to withdraw our support from the  
Convention and suggest that Miss Mary Spencer, Matron of  
our County Institution, and Chairman of said Committee, or  
substitute, as Norfolk's delegate to the June convention in  
Cornwall. That their expenses be paid; and the customary  
fee be also paid.

## REPORT OF THE INDUSTRIAL HOME COMMITTEE

To the Warden and Members of the County Council of the County of Norfolk:

Gentlemen:

We, your Committee of the Industrial Home, beg leave to report as follows:

Your Committee visited the Home on the afternoon of January 29th, and found the institution in its usual state of order and cleanliness.

I wish to state that we noticed the good feeling that existed between the management and the inmates. This, we wish to emphasize, as you can readily understand some of the difficulties which confront the management of an institution of this nature.

We wish also to compliment Mr. Smith, for the fine condition we find the farm buildings in, and the way he is gradually building up the herd of Holstein cattle.

All of which is respectfully submitted.

B. A. SMITH, Chairman.

## REPORT OF THE PUBLIC BUILDINGS COMMITTEE

To the Warden and Members of the County Council of the County of Norfolk:

Gentlemen:

We, your Committee on Public Buildings, beg leave to suggest that the following equipment and repairs be supplied to the Court House:

1.—In the Solicitor's Room—(a) a floor covering of linoleum or cocoa matting; (b) the table top repaired; (c) four suitable chairs; (d) decorating of walls and ceiling.

2.—In the Library—(a) one leather arm chair; (b) a wall plug and a table lamp.

3.—In the Crown Attorney's Room—(a) Cocoa matting on floor; (b) one Windsor Chair; (c) a lamp-shade on the droplight.

4.—In the Visiting Judge's Chamber—One comfortable chair at desk.

5.—In Judge's Chamber—Stove to be removed; installed in main corridor of Court House and replaced by a new radiant-fire.

6.—In Sheriff's office—A filing cabinet. \$35.00.

7.—In Gaol—Sufficient clothing for 15 male and 3 female prisoners; (b) Book as Register for Prisoner's effects; (c) Lock on Shed Door.

8.—In Surrogate Registrar's Office—(a) Oak Table to be cleaned and resurfaced; (b) wall strip for posting notices.  
All of which is respectfully submitted.

G. H. KENT, Chairman.

G. J. McKIEE, Jr.

R. E. ANDERSON.

### **REPORT OF THE COMMITTEE OF THE WHOLE**

To the Warden and Members of the County Council of the County of Norfolk:

Gentlemen:

We, your Committee of the Whole, beg leave to report the matters referred thereto have been considered in the following manner, and we recommend the following:

1.—That no action be taken in regard to the University of Western Ontario.

2.—That no action be taken in regard to the Ontario Municipal Association.

3.—That a grant of \$25.00 be given to the Sick Children's Hospital.

4.—That a grant of \$50.00 be given to the Salvation Army.

5.—That the letter from Mr. John F. Peart, Secretary of the Association of Managers of the Homes for Aged and Infirm be referred to the Committee of Industrial Home.

6.—That Mr. Reynolds be a delegate to the Ontario School Trustees and Ratepayers Association and that the registration fee of \$2.00 be paid.

7.—That no action be taken on the communications from Elgin County Council.

8.—That a grant of \$100.00 be given the Canadian National Institute for the Blind, when they furnish the Clerk with the names of all receiving benefit in Norfolk County.

9.—That the Town of Simcoe would like to have some assurance that when their Fire Equipment is loaned for use outside the Town limits that they will be protected against any liability for damage which may occur from an accident, and that the Clerk be instructed to get legal advice on this matter and report at the March meeting.

10.—That all Committee and Council fees be reduced to \$4.00 per day and mileage.

11.—That the Council recommend to the Good Roads Committee a cut of at least 15% on all wages for labor, and that this Committee bring in a report at the March session in regard to this matter.

12.—That no action be taken in regard to the 50% reduction in Mr. Paterson's grant from the County, until a Committee appointed to interview him has a chance to report to this Council; the Committee appointed being Mr. Matthews, Mr. Townsend, and Mr. Bowden.

13.—That the request for an increase of 3c per gallon gas tax be forwarded to the Provincial Government, and that a copy of this resolution be forwarded to the other Counties of the Province.

14.—That no action be taken in regard to the purchase of a new snow plow.

15.—That Mr. Paterson's Grant from the County be reduced 15%.

All of which is respectfully submitted.

C. H. FERRIS, Chairman.

### BY-LAW NO. 628

A By-Law to authorize the borrowing of such moneys as shall be necessary and required to carry on the Public Service of the County of Norfolk for the current year.

WHEREAS the Council of the Corporation of Norfolk deems it necessary to borrow sufficient moneys for ordinary and other expenditures for the County purposes for the Current year.

BE IT THEREFORE ENACTED by the Municipal Corporation of the County of Norfolk as follows:

1.—(a) That the Warden and Treasurer of the said Corporation of the County of Norfolk be and they are hereby authorized to borrow in one or more sums as may be required, from a chartered hereinafter called "The Bank," such sums as the Council may from time to time deem necessary to meet the ordinary expenditure of the Corporation during the current year, provided that the amount so borrowed shall at no time exceed the amount required to be provided for by the County rate for the current year.

(b) That the Warden and Treasurer of the said Corporation and they are hereby authorized to borrow the amount receivable by the Corporation from the Province of Ontario towards meeting the cost of construction and maintenance of the work in progress during the year under the Highway Improvement Act and Amendments.

2. That the Corporation be, and it is hereby authorized to pay or allow the bank, interest on the sum or sums so borrowed at a rate of interest to be agreed upon, which may be paid or allowed in advance by way of discount or otherwise howsoever as it may deem best.

3. The sum or sums so borrowed shall be repayable on or before the 31st day of December next as regards the general account and on receipt from the Government of its portion of the County Road account.

4. That the Promissory note or notes of the said Corporation sealed with the Corporate seal, be given from time to time as required, in security for the amount borrowed under the provisions of this By-Law.

5. That the giving of such note or notes or renewals thereof as aforesaid shall not be deemed satisfaction to the Bank of the said advance and interest, but as evidence only of the said indebtedness.

6. That the Warden and Treasurer of the said Corporation be and they are hereby authorized to act for the said Corporation and sign notes or drafts as may be necessary in the premises.

7. That the treasurer is hereby authorized and directed to apply any such sum as may be paid to the Corporation by local municipalities or by the Government for its portion of the costs of County Roads or by sale of debentures, in payment of the obligation of the said Corporation created as aforesaid to the said "Bank."

## County Road Superintendent's Report

To the Warden and Members of the County Council of the County of Norfolk:

Gentlemen:

I beg leave to submit to you my fourteenth annual report on the Norfolk County Road System.

In accordance with the regulations of the Department of Public Highways I have prepared the necessary tabulated forms showing the expenditures for the past year, as required under the Highway Improvement Act. A resolution requesting the Minister of Public Highways to make the Government grant to the County based upon the tabulated statement, should be passed at this session.

The following is a synopsis of the petition to be presented to the Minister:

Road Construction .....	\$71,972.48
Bridge Construction .....	3,276.45
Maintenance and Repair .....	90,785.15
Machinery (new and repairs) .....	10,075.84
Urban Municipalities .....	20,883.26
Superintendence .....	4,936.10
County Bridges .....	239.86
Workmen's Compensation .....	1,772.63
Total .....	\$203,941.77

The construction work of the past year consisted in a large measure, in the elimination of dangerous conditions existing on the County Road System as pointed out in my 1928 report. These works included the completion of the Bridge on Road 7, with a heavy cut and fill at the Venison Creek on Road 7, and the installation of a 3' corrugated culvert 90' long, the depth of this culvert below the grade being 30', the completion of the fill on Road 7 at the east quarter line of North Walsingham on Road 7. Construction of a reinforced concrete culvert 6'x6' opening, 90' long, south of Silver Hill on Road 10, together with the necessary fill to widen this road to the standard width, 1500' of 10' tile drain were also installed together with 9 catch basins. Considerable difficulty was experienced during the construction of this culvert due to unstable condition of the soils encountered, the footings of this culvert were 30' below the road bed. On Road 9, 2 culverts were installed at the west end of this road in the Township of Houghton, one 2' pipe—148'—O long—1-3' pipe—120' long. In order to bring this road to a proper alignment, it was necessary to remove the old grade in both instances, as the old road grade was built right over to the northerly limit of the road allowance. These culverts were placed 25' below the road bed.

The construction of the bridge at Townsend Centre on Road 15. This is a reinforced concrete beam bridge, 24 foot span and 20 foot driveway. The total cost of these works is approximately \$30,000.00 together.

In addition to the elimination of these dangerous places the following construction work was proceeded with:

Road 9—1½ miles of grading.

Road 13—Construction of two and one half miles of grading and graveling on Road 13 was completed. This

road is a given road, and was originally laid out in May, 1830, being surveyed as a 40' foot road allowance. By accurate survey last year, we found the average width 35 ft. This was widened in accordance to regulation of the Department to 66 feet. The construction work involved the removal of a number of large maple trees, changing the alignment of the grade to eliminate as far as possible sharp bends, the changing of a line of telephone poles and also the Hydro poles. Construction of over 2 miles of fencing, the installing of 18 corrugated culverts, and 32 entrance culverts. Grading and graveling of the 2½ miles—Total cost of this work being \$19,431.23.

Road 17—Construction of 2¼ miles of grading and graveling, installation of 4 corrugated culverts, removal of some trees, and cutting down hills at a cost of \$8078.15. This road is of considerable importance to the north half of the Township of Townsend, being the only county road leading to the Provincial Highway No. 24, north of Waterford. The construction of this road should assist in preserving some of the Township roads which have been called upon to carry a much heavier traffic than specifications of the Township roads call for.

Road 29—Consisted in grading and graveling 1½ miles of road on the southerly end of this road, the installation of 8 corrugated culverts—\$2,621.06. The gravel used on this road was collected from the beach in South Walsingham, and was paid for during 1929. This road will require another coat of gravel in the Spring, as in using uncrushed gravel from the beach, it is not advisable to put on the complete coat at once.

Road 11—¾ of a mile of graveling from Pine Grove Church, north at a cost of \$2,877.78.

Road 9—1 3-10 miles of Tarvia Retread was constructed at approximately \$5,000.00. In all a total of 55 corrugated culverts were installed during the year on the system.

The total cost of Maintenance and Repair Work was \$90,785.15. This is \$9,764.85 less than was placed in the estimate for the year, and \$17,085.92 less than was expended on Maintenance in 1929. The Maintenance of the road system is important and while this saving has been accomplished the Committee will, no doubt, use their best judgment in considering the maintenance for the year. I believe that there are several reasons for this reduction.

1.—The kindly co-operation which I received at the hands of the 1930 County Council.

2.—The very close co-operation of the County Road Committee.

3.—The change in the general maintenance organization put into effect last year.

4.—The effect of surface treating gravel roads with tar and the tar mulch applications.

The County Road System consists at the present time of 215 miles. This mileage may be subdivided in the following manner:

Cement Concrete .....	3 miles
Tarvia Penetration .....	11 miles
Tar treated, stone and gravel .....	5.5 miles
Tar Mulch .....	27.5 miles
Gravel Roads .....	156.9 miles
Dirt Roads .....	12.5 miles
Tar Retread .....	1.3 miles

of this total mileage 133 miles is in accordance with the standard grading requirements of the Department.

When a greater mileage of the System has been tar treated, I am of the opinion that a greater saving will be shown in the cost of Maintenance. During the past year 14.25 miles of road was surfaced with tar mulch; 4½ miles were surface treated; 25 miles of gravel resurfacing was also accomplished.

During the past few years, the Department of Public Highways has been operating in conjunction with the Department of Agriculture in regard to the weed situation on the highways, and have requested that all the weeds be cut on highways. Last year in addition to actual cutting of weeds, 45 miles of the system were treated with weed killer. This treatment of weed, will, in the course of a year or two reduce the cost of weed cutting materially.

Another important feature in the maintenance of the system is snow removal, your committees of 1929 and 1930 have given this consideration. This work is necessary, not only for the convenience of the motorist, but for the protection of hauling of milk and the tobacco crop which is practically all accomplished by motor trucks.

The report of the Department of Public Highways for provincial highway work in the County of Norfolk shows a total expenditure of \$183,550.10 of which \$141,328.47 is charged to construction and \$42,221.63 to Maintenance; the County of Norfolk's share of this expenditure is \$36,710.02. This total is sub-divided in the following manner:

Patrol District 2-9—Location from the Oxford-Norfolk boundary easterly to Simcoe, 20.7 miles. Construction \$3,561.60, Maintenance \$10,738.87.

Patrol District 2-22—North limits of Simcoe to Norfolk Brant boundary, 8.8 miles. Construction \$107,371.99, Maintenance \$19,703.81.

Patrol District 2-11—From West limits of Tillsonburg to Elgin east boundary 1.6 miles. Construction \$542.64. Maintenance \$2,046.66.

Patrol District—Simcoe, within the limits of Simcoe. Construction \$14,230.92. Maintenance \$997.20.

Patrol District 4-16—Norfolk-Haldimand line, westerly to Simcoe 8.85 miles. Construction \$998.15, Maintenance, \$7,729.05.

Patrol District 4-18-A—Norfolk-Haldimand boundary, Southerly to Port Dover. Construction \$14,623.17, Maintenance \$1,006.04.

During the past year the purchase of machinery was very small.

(1) spraying outfit for weed destruction was purchased at a cost of \$262.00.

(1) snow plow bought in December 1929, was paid for \$1,710.00.

Owing to a bad break in the motor of the 17-34 tractor the County Road Committee dealt this in on a 24-40 Sawyer-Massey at a cost of \$1,800.00. This was the first tractor purchased in 1918, the tractor having been in service for about 18,000 hours, during the first three years it was used in grading operation, and then in the gravel pits for supplying power for the crushing outfit, having crushed in the neighborhood of 200,000 cubic yards of gravel.

The following is a synopsis as taken from the maintenance book:

Brushing and Weed cutting .....	\$ 3943 25
Grading .....	2302 57
Dragging .....	5531 59
Culverts .....	1814 52
Bridges .....	258 03
Resurfacing .....	73,486 97
Oiling .....	60 45
Snow Roads .....	2969 58
Guard Rails and Signs .....	389 19
Tile Drain .....	29 00
County Bridges (not on County Roads) ....	239 86

It is somewhat a pleasure to report to you on the financial standing of the County Road System at the present time, in comparison with a year ago. The overdraft at the bank on January 1st amounted to .....\$ 118,241 64 after deducting from this amount owing to the the County by the Town of Simcoe for additional pavement laid in widening designated streets ..... 14,870 39

---

We have a balance of ..... 103,371 25  
The Government Grant will be approximately .... 102,000 00

---

Leaving a net overdraft of ..... 1371 25

Showing that although the rate for 1930 was the same as 1929, your road committee succeeded in paying off approximately \$34,000.00 of the overdraft from 1929.

In considering the work for the present year, might I point out the following amounts which will require your attention?

Debenture Debt and interest to be paid during the current year .....	\$69834 30
Amount payable to Department for work on Provincial Highway during 1930 .....	36710 02
Port Rowan Grant .....	1046 16
Total .....	107690 48

All of which is respectfully submitted.

I have the honor to be, gentlemen,

Your obedient servant,

Guy R. Marston

County Road Superintendent
